

Inclement Weather/School closing:

West End Academy follows the Knox County Schools with regards to closings. If Knox County is closed, we are closed. If Knox County is opening an hour late, we are opening an hour late, etc.

West End Academy is listed separately. We list on channels 6, 8 and 10. We also list with WIVK.

For After School Care students: If Knox County Schools close early, we **WILL NOT** be picking up. We will be calling parents to pick up students already at the school. If Knox County Schools close early, parents will be responsible for picking their children up at their school.

Please be sure to have current contact information for your child on file. We will call ALL parents to notify them of an early closure and the parents will have 1 hour to pick up their children. For the safety of your children and our staff, we ask that you abide by that 1 hour. We will call parents of school age children, to make sure they know we will not be picking up their children.

EMERGENCY CONTACT INFORMATION:

We try not to use this information in a careless manner; therefore we need this information to be correct. We require a number that will be answered promptly. As we only use this information if we have to close early for safety reasons, or if your child is sick or hurt, it is essential that they work. Thank you for your cooperation in this matter.

Your contact information can be updated in the office or with your child's teacher.
